- Electromechanical Engineering**
- Electronic Engineering Technology
- Engineering—Interdisciplinary
- Mechanical Engineering
- Mechanical Engineering Technology

*Three-year program with a four-year option

**Five-year program

Accreditation

Wentworth Institute of Technology is accredited by the New England Association of Schools and Colleges, Inc. (NEASC) In addition many specific Wentworth programs are additionally accredited by the national, professional accreditation boards.

Costs

Tuition: \$24,000 per academic year (2011-12). Typical room and board: \$11,300 per academic year. Tuition includes a laptop outfitted with the software used in the student's academic major. No additional lab, athletics or student activities fees.

Financial Aid

More than 75 percent of Wentworth students receive financial aid. Wentworth offers both merit scholarships and need-based financial aid. The FAFSA is required to be considered for federal aid. The average financial aid package is about \$7500.

Co-op

Active for more than 30 years, ours is one of the largest and most comprehensive cooperative education programs of its kind in the nation. Every student at Wentworth must complete two semesters (third optional) of professional, paid work experience to graduate.

- Wentworth has a comprehensive Career Center to assist students in their co-op placements and in career planning, as well as resume writing and interview techniques
- Co-ops can be done here in Boston, but students may choose to pursue opportunities in their hometown or abroad
- Student salaries for co-op range from \$12-17 an hour and about 40% of students find full-time employment through a co-op job

Admissions Process

Wentworth practices rolling admissions. Some majors could reach capacity by February, so applying sooner rather than later is recommended. High school students can apply any time after the beginning of their senior year and once all their application requirements are received, their completed application is reviewed and they can expect a response in 4 to 5 weeks. Deposit deadline is May 1 for all students.
