January 2012 New Student Laptop Pickup

Dear Student:

Welcome to Wentworth! To facilitate a smooth transition, students are required to participate in laptop distribution. At the distribution, you will be given your laptop and be guided through the initial steps essential for you to properly utilize your new laptop. Please **bring your Wentworth student identification card** with you when you come to pick up your laptop.

All new students can receive their laptops from 8:30AM to 3:00PM, beginning on Monday, January 9, 2012, through Friday, January 13, 2012, at the DTS Help Desk, Beatty Hall, Room 320. Depending on your academic major you will receive either a [Lenovo W520](#) or [Apple MacBook Pro](#).

After Friday, January 13, 2012, you will need to make an appointment to pick up your laptop by calling the [Division of Technology Services Help Desk](#) at ext. 4500. When calling the Help Desk, identify yourself as a new student who missed the January 2012 Laptop Distribution.

If you do not contact the Help Desk and make arrangements to pick up your new laptop by the close of business on Friday, January 20, 2012, a hold may be placed on your account to prevent you from registering for classes or viewing grades online in the future. You will then need a form from the Student Service Center to present to the DTS Help Desk in order to pick up your new laptop.

Please note: All new students will receive a [Targus laptop backpack carrying case](#) that will accommodate either a Lenovo or Apple laptop. You will also receive a network cable as part of your initial setup.

On behalf of the DTS Laptop Team, thank you for your cooperation, and best wishes for a successful stay at Wentworth!
