

BLACKBOARD

Blackboard is a Learning Management System (LMS) that is used by Wentworth and the other schools in the Colleges of the Fenway consortium. It helps faculty members and students to organize class work, collaborate and communicate with one another. Faculty members at Wentworth may use it to post lecture information, resources, assignments, and conduct online quizzes and online discussions.

- Logon as usual
- Click on the Academic Resources tab – you will see a channel labeled Blackboard.
- Logon to Blackboard using your Lconnect Username
- The default Password is '654321'
- Blackboard will prompt you to change password immediately.

It is recommended that you set your new password to either your LConnect password or your Active Directory password (computer password).

Browser Check

Blackboard will automatically check your internet browser's compatibility. If your browser is not up to date you will not be able to use the Blackboard application.

A full list of supported browsers and browser versions is available at the bottom of the Browser Checker window.

The Blackboard Browser Checker will help you determine if you need to download any additional software or change any settings on your browser.

Browser Tune-up

Students experiencing difficulty using Blackboard should run the Blackboard Browser Tune-up by clicking "Check Browser". This link is available in several places: on the login page, on the course list page, and as a link on the Troubleshooting Guidelines.

Blackboard Resources on Lconnect

Troubleshooting Guidelines

- These guidelines inform you about the best supported browsers for Blackboard, pop-up and Java settings necessary to have the best Blackboard experience. Please make sure to check these if you experience any difficulty using Blackboard.
- The guidelines can be found on the Blackboard Channel in Lconnect, or at http://www.wit.edu/td/bb/troubleshooting_guidelines.htm

Frequently Asked Questions (FAQs)

- The frequently asked questions may help you troubleshoot problems with Blackboard at any time.
- They can be found on the Blackboard Channel in Lconnect, or at <http://www.wit.edu/td/bb/faq.htm>

Resources Within Blackboard

Every student is enrolled into a Blackboard section called "TRDV00207 Blackboard Tutorial and Resources" (if you cannot see it in your course list, please contact the DTS Helpdesk to be enrolled). The section contains:

Interactive Tutorials

- The Interactive Tutorial includes movies explaining different features of Blackboard and may be a helpful resource.

Support And Help

The **DTS Helpdesk** is always the first point of contact. It is located on the **3d Floor of Beatty Hall**. The phone number is **617-989-4500**. Email address is helpdesk@wit.edu

Please contact the DTS Helpdesk, if you:

- Cannot access Blackboard,
- Forgot your password,
- Do not see course sections in your course list, although you are enrolled in them,
- Have other trouble with Blackboard you need help with.
