## True or False Questions

With this question type, Students select either *True* or *False* in response to the question.

Example: True or false: Cats are amphibious.

The screenshot shows a web interface for creating a question. At the top, there is a breadcrumb trail: 'Content Inventory' > 'Assessments' > 'First Quiz'. Below this is a section titled 'Create True False Question' with a sub-section 'Question'. The 'Question' section contains a text input field for '\*Title:', a radio button for 'HTML Creator' set to 'Off', a larger text area for 'Question text:', a checked checkbox for 'Use HTML', and an 'Insert equation' dropdown menu with 'New' selected. Below the question text is an 'Image:' field with a 'Browse...' button. The 'Answer' section has radio buttons for 'Correct response' set to 'True'. At the bottom of the form is a 'More Options' section with a right-pointing arrow and the text '(Expand this area to see more options.)'.

- Give the question a **title** so that you can distinguish it once it is in your question database. This **Title** will be visible to students unless you change the default in Assessment Settings.
- Type in the **Question text**. Insert an equation if needed.
- You may insert an image for this question by clicking **Browse**.
- Next to **Answer** select **True** or **False**.

The 'More Options' section is expanded, showing three main areas: 'General feedback' with a text input field and a checked 'Use HTML' checkbox; 'Section Designer notes' with a text input field; and 'Category' with a text input field, a dropdown menu set to 'Uncategorized Questions', and a radio button for 'Specify an existing category'. Below the 'Category' section are three buttons: 'Save', 'Preview', and 'Cancel'.

\* Required field

### More Options

In the **General feedback** text box, enter the text feedback. The general feedback displays when students view their graded assessment. **Section Designer notes** will only be visible to you.

You can preview the question before saving it by clicking **Preview**.
